Dear Family member:

With the release of the movie 'The Passion of the Christ' we have seen records broken as historians and critic's rise to the surface to give an opinion of the most selfless act of love known to man. This movie has caused many to visually see the ultimate example of love in action.

For all those who watched the film, if only to give opinion, it carried the message to a multitude of hearts of what He did for all. This display of graphic proportions can only make one search and seek out the answer to the big question, why?

In the path of **Serving Our World** lay one response, "Blessed be the God and Father of our Lord Jesus Christ the Father of mercies and God of all comfort, who comforts us in all our afflictions, that we may be able to comfort those who are in trouble."

We have all been there and maybe still are passing through a difficult time, yet during this time a higher power is at work on our behalf making a way and bringing the answer. But our response and experience has to be passed on not forgotten in order to keep us moving in the right direction. "That we may comfort those who are in trouble." \*

I recently received an email from one of our international friends who assists us in touching and aiding those in need. After a large outreach to children in trouble the response was that out of 1,200 receiving assistance, 250 were orphaned children!

Those 250 display a large percent of children still in troubled positions. A child so young without loving, caring parents is facing the necessities of food, shelter, clothing and most of all survival amongst such odds and with no one to go to for comfort.

**Serving Our World** is partnering with pre-school programs and community outreaches to provide food, clothing, education and comfort to these children in remote areas. Special outreaches are focused for the needs of children who have been orphaned and abandoned. They need us to take part in their lives.

We are believing for the funds to build Community Based Family Homes that will provide all the needs now and in the future for the children, surrounding families and community to strengthen and build for their future.

Today will you help **Serving Our World** comfort the troubled child looking for someone to care? Will you stand in the gap for those that have been abandoned and suffering from the loss of parents?

As you respond **Serving Our World** takes action to help provide the resources needed for those waiting for a visitation. Let us carry the Passion of Christ to those who are in need. Let us follow in His footsteps to show Christ's love in a physical way.

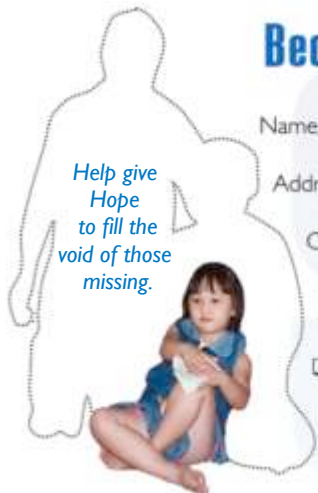

Let us fill in the gap and comfort those in need!

Together touching lives,

Michael Thomforde  
Founder/President

\* 2 Cor. 1:3&4
