CHRISTMAS IS GIVING

With each passing day we draw closer to Christmas, children are growing anxious and excited as they count down the days. Many things are taking place with plans, parties and excitement. Children are pulling parents into their favorite stores to point out the toy they are hoping will end up under the tree.

For you as a family member of **Serving Our World** we want to share with you that not only during this years outreach events in the countries of Thailand and East Timor, but all year round you are providing the needed gifts of schooling, clothing, medical checkups, meals and a beautiful home for them to grow up in. You are helping to provide a future.

While you are reading this hundreds and hundreds of children are excited and smiling as you are helping to make Christmas possible. Families will be provided with bags of groceries and supplies that they so desperately need and would have no way of purchasing without your help. Children will be

"Christmas is forever, not for just one day, for loving, sharing, giving, are not to put away like bells and lights and tinsel, in some box upon a shelf. The good you do for others is good you do yourself."

Touching Lives, Building Futures

Take a look at what WE can do together this Holiday Season

receiving gifts, clothing and more because you care to show love and compassion during this time of year.

We know that each year your Christmas list grows longer and now with the year coming to an end remember those who can't write a list or have no way of giving gifts to their own children and last those that don't have any parents to show what they would like to have.

We have determined this year to step out and fill these gaps and provide everything that is needed so they can experience the most Blessed Christmas as we share the story of how it all started.

Be a part by helping us supply what they urgently need and with your year end gift you will know that those around the world are being touched by what you are giving today. Help those without to experience the joy of a tomorrow and the spirit of this Christmas Season.
